FlockBase: The Affordable Church Software Solution

Full-featured & affordable software for small to mid-sized churches. Easy for volunteers to use, yet powerful enough to meet all your needs.

Fully-Integrated Church Management Software

Never duplicate your efforts again! FlockBase is fully-integrated church management software. Contributions flow seamlessly into membership and accounting records. Check-In automatically updates your attendance records.

Membership
Without a doubt the most important feature, keep records of members with ease!

Track Funds
FlockBase is built with true fund accounting, allowing you to easily track your fund balances.

Groups
Keep track of which members & households participate in which groups!

Compute Payroll
We make it simple for churches to pay their staff & comply with IRS regulations.

Contributions
Log contributions for year-end contribution statements. Offer Online Giving and Text-To-Give.

Robust Reporting
Track balances, income and expenses by fund, from a high level down to the ledger, and more!

Pledges
Follow which pledges have been fulfilled, and determine if your campaign is on pace.

Check Printing
Our software makes it easy to create & print checks to pay your vendors and staff.

Attendance
Record & report attendance with ease, Check-In members via kiosk or volunteer portal.

Budgets
Make budgeting a breeze! Track your church's spending and compare it to your budget.

Communication
Some tiers include group emailing & texting. Cancel your expensive email service and save today!

Direct Deposit
Our recommended cloud packages enable you to pay your staff and vendors via ACH.
